

Memory signed: CB.63.1.

Sequencer Version 2 until 2013: C b. 6 3. 1. x

Sequencer Version 3 since 2014: S E. 6 3.

When you turn "ON" the sequencer, in the display shows "ELFIPA" and after a few seconds show the chip number followed by the number of table, example "C B. 6 3. 1. 1" (look at the back of the page to view the instructions)
